Benefits of Offering Contactless Payment Options

Date & Time:
Monday, September 14 12:00 PM – 1:00 PM ET

With an increasing demand for digital payments worldwide during COVID-19, businesses must consider offering contactless payments to provide safe and convenient ways to process transactions. Jim McGowan, Marqeta’s Head of eCommerce, will provide insight into the accelerating movement toward a more cashless society and the need for the travel industry to adopt digital payment options. Join us to explore the modern technologies that are available today and learn how the travel industry can benefit from them.
