

# GLP - Enterprise Leadership

**Start Date: Mar 18, 2018 8:00 AM**

**End Date: Mar 20, 2018 4:00 PM**

## Enterprise Leadership

March 18-20, 2018

New York, NY

8am-4pm

This two-day program will spur executives to critically examine and further build their leadership capabilities to drive performance in their organizations. Through interactive cases and simulations, they will develop an enterprise-level, forward-thinking approach to formulating successful intergenerational teams, and a personal action plan for increasing their leadership effectiveness with peers, direct reports and other stakeholders.
