ITM - BUSINESS TRAVEL SHOWCASE

Partner Event

10September, 2019

London, UK

Learn about products and services that could support your programme in our new showcase for buyers only.

We have invited several suppliers from across the industry to join us in our one day 'Pick n Mix' showcase to help delegates gain a greater understanding of products and services from the accommodation, air, ground transportation and travel technology sectors.

This is a great opportunity to find out what's new and if you are thinking about going out to tender it's an ideal way to be introduced to new suppliers that may not be on your radar.
