Partner Event - ITM - TMC SHOWCASE

Partner Event

28 October, 2019

London, UK

Learn about what TMCs have to offer and how they differ, we will also examine what's new and how it could benefit your organisation.

In our final showcase of 2019, we have invited several TMCs to join us and each present their products and services to an audience of buyer delegates.

This is a great opportunity to find out what's new and get to know more about the TMC's cultural fit. This full day event can also help you benchmark your current supplier, or if you are thinking about going out to tender it's an ideal way to be introduced to new suppliers that may not be on your radar.
