- Communicating a commitment to one's career to peers, supervisors, and the industry at large
- Increasing the likelihood of individual recognition and career advancement

The GTP® Certification Program also benefits the business travel industry as a whole by:

- Establishing the body of knowledge for business travel professionals
- Measuring the knowledge demonstrated by business travel professionals in a valid and reliable way
- Granting recognition to those industry professionals who meet the eligibility

requirements and have passed the examination

- Elevating the status and credibility of professionals in the business travel industry

- Providing employers with a tool to identify skilled, knowledgeable professionals

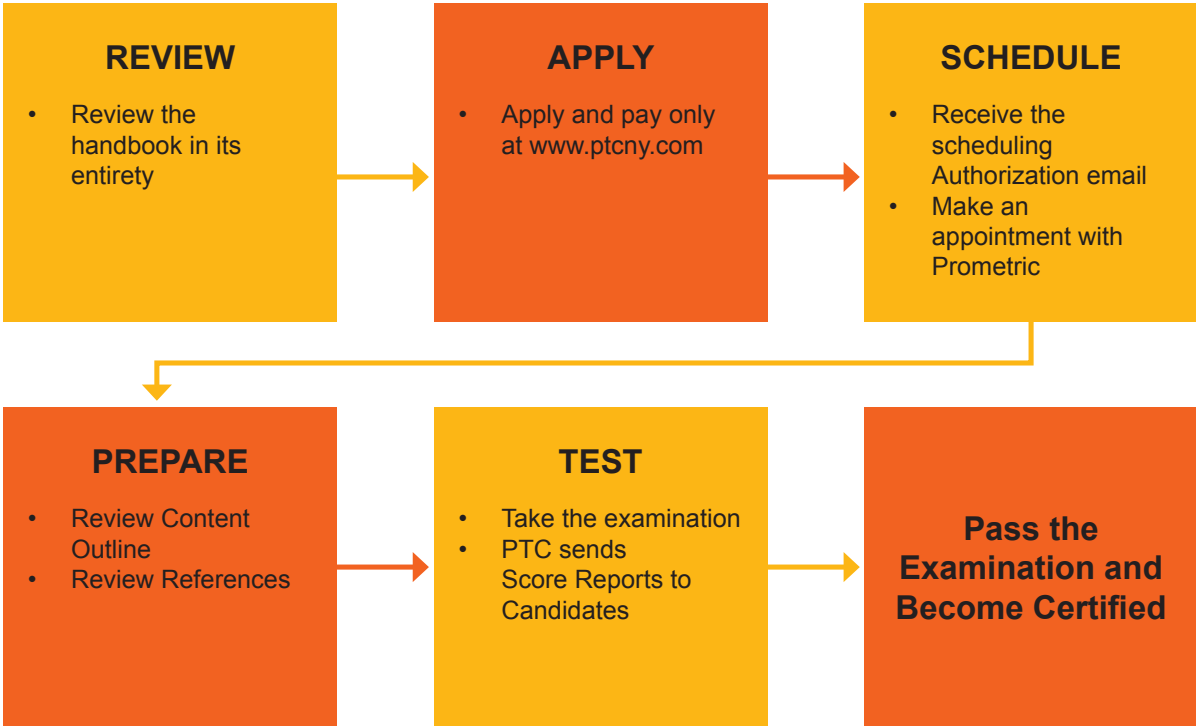

Eligibility Criteria

Candidates become eligible to take the GTP® examination upon successfully documenting the following requirement:

- A minimum of three years of business travel related experience. Business travel related experience is defined as time spent buying or selling business travel services.

Candidates must meet the eligibility criteria prior to submitting the application. Notably, GBTA membership is not a requirement to take the GTP® Examination; however, if applicants join GBTA as part of the application process, they will receive a lower, member-only application fee.

The Certification Process

Completion of Examination

Step 1 – Complete Application

Go to <http://www.ptcny.com/test-sponsors/GBTA> to view examination testing periods, application deadlines, and link to the online application. You must complete the examination application in full, using your first and last name exactly as it appears on your current government issued photo ID such as a driver’s license or a passport. Applications are not considered complete until all information and payment has been provided. The completed application must be submitted and paid for online. Retain the link to the application and your login information.

Please note, for new applications you will be asked to create a PIN number. This PIN will be used if you need to get back into your existing application.

Step 2 – Submit Examination Fee and Application for Review

Receive email from PTC stating that your payment and application has been received and under review.

Step 3 – Receive Approval of Application

Receive email from PTC stating that your application has been approved.

Step 4 – Receive Scheduling Authorization and Schedule Testing Appointment

Within eleven (11) weeks prior to the start of the testing period, candidates will receive a Scheduling Authorization from PTC via email from notices@ptcny.com. The Scheduling Authorization includes a PTC Candidate ID number and information on how to set up your examination location, date, and time through Prometric. Retain this document.

You must present your current driver's license, passport, or U.S. Military ID at the testing center at the time of your examination appointment or you will be refused admission. The first and last name on the ID must exactly match the name on the Scheduling Authorization.

Applicants who are not approved to sit for the examination or whose applications are incomplete 21 days prior to the first day of the testing window will receive a refund of their application fee minus the \$75 administrative fee. Refunds will be processed approximately 30 days after the end of the testing period.

Examination Administration and Scheduling

The GBTA Global Travel Professional® Examination is administered during an established six-week testing window on a daily basis, excluding holidays, at computer-based testing facilities at a Prometric site or a remote-proctored location, monitored by Prometric.

Scheduling Authorization

PTC will send approved candidates an email called the Scheduling Authorization. These emails are sent out about 11 weeks before the first day of the testing window. The emails come from notices@ptcny.com.

Candidates cannot make an appointment until they receive a scheduling authorization. If you don't receive your email 3 weeks before the start of your testing window contact PTC.

Scheduling Examination Appointments

The Scheduling Authorization will indicate how to schedule your examination appointment with Prometric as well as the dates during which testing is available. Appointment times are first-come, first-served, so schedule your appointment as soon as you receive your Scheduling Authorization in order to maximize your chance of testing at your preferred location and on your preferred date.

Candidates who wait until the last minute run the risk of missing out on their preferred date, time, and testing center. Candidates unable to schedule an appointment will forfeit their fees.

After you make your test appointment, Prometric will send you a confirmation email with the date, time, and location of your exam. Please check this confirmation carefully for the correct date, time, and location. Contact Prometric

at (800) 741-0934 if you do not receive this email confirmation or if there is a mistake with your appointment.

Note: International candidates may also schedule, reschedule, or cancel an appointment online at www.prometric.com/GBTA.

Test Accommodations

GBTA and PTC support the intent of and comply with the Americans with Disabilities Act (ADA). PTC will take steps reasonably necessary to make certification accessible to persons with disabilities covered under the ADA. According to the ADA, an individual with a disability is a person who has a physical or mental impairment that substantially limits a major life activity (such as seeing, hearing, learning, reading, concentrating, walking) or a major bodily function (such as neurological, endocrine, or digestive system). The information you provide and any documentation regarding your disability and test accommodations will be held in strict confidence.

All approved testing accommodations must maintain the psychometric nature and security of the examination. Accommodations that fundamentally alter the nature or security of the exam will not be granted.

Testing arrangements may be made upon receipt of the application, examination fee, and a completed and signed Request for Test Accommodations Form, available from www.ptcny.com or by calling PTC at (212) 356-0660.

This form must be uploaded with the online application no later than 8 weeks prior to the start of your chosen testing period. Candidates who do not submit their Test Accommodations Form with their application may not be able to test during their chosen testing period and therefore be subject to rescheduling or transfer fees.

Only those requests made and received on the official Request for Test Accommodations Form will be reviewed. Letters from doctors and other healthcare professionals must be accompanied by the official form and will not be accepted without the form. All requests must be made at the time of application. Accommodations cannot be added to an existing exam appointment.

Please note: do not go to www.prometric.com or contact Prometric to request test accommodations as Prometric is not authorized to approve accommodations. All requests for test accommodations must be submitted on the PTC Request Form.

Preparing for the Examination

- Check your government issued photo ID (driver's license, passport or U.S. Military ID) when you make your examination appointment. Is it expired? Does the name on your ID match the name on your Scheduling Authorization email? Proctors

at the Prometric testing center will refuse admission to candidates with expired IDs, IDs with names that do not match their records, and temporary paper IDs. Candidates will be marked as no-shows and will forfeit their exam fees.

- Check your PTC Scheduling Authorization email and Appointment Confirmation email from Prometric to make sure everything is accurate (i.e. your name, exam name, appointment date, time and location).
- Make yourself familiar with the location of your chosen testing site and any requirements they may have for parking and check the weather and traffic conditions before you leave for the testing center. Make sure you give yourself plenty of time to arrive as late arrival may prevent you from testing.
- In the event of inclement weather, check the Prometric website for site closures: <https://www.prometric.com/closures>.
- Prometric's website provides information on what you can expect on your test day, including a walkthrough of check in and security procedures: <https://www.prometric.com/test-center-security>.
- This Handbook provides the Content Outline for the Examination (see appendix). Use these to help you start studying for the examination.
- Review the Rules for the Examination before your appointment.

If you are testing via live remote proctoring

- Be sure to check your system compatibility BEFORE you schedule and again before your appointment.
- The check in process is about 30 minutes long and is not factored into your appointment. Be sure to log into ProProctor to start your exam at least 30 minutes prior to your appointment time
- There is a 15-minute break in between sections of the exam. Candidates are not to leave the testing area except during this break. Candidates will need to be checked in again by a proctor before beginning the second section of the exam.

- No scratch paper is allowed. Be sure your workspace is clear of any extra items and electronic devices except for your government issued photo ID.
- Read the Live Remote Proctoring FAQs here: <https://ptcny.com/remote-proctor-faqs/>

Prometric is unable to provide a completely noise-free environment. However, headphones may be requested to minimize impact.

- Please see Prometric’s website for more information about what to expect on testing day.

Rules for the Examination

Please read the information below carefully. You are responsible for adhering to the examination rules while at the testing center.

- You must present your current driver’s license, passport, or US Military ID at the testing center. Candidates without valid ID will NOT be permitted to test. Temporary or paper copies of your ID will not be accepted.
- Cell phones, watches, and all other electronic devices are strictly prohibited at the testing center. Please leave these items in your car or in your assigned locker at the testing center. You may NOT access your cell phone, electronic devices, or study materials from your locker at any time.

- No papers, books, or reference materials may be accessed during a break at a locker, taken into or removed from the testing room.
- You may ONLY access snacks, drinks, medicines or personal healthcare items from your locker.
- No questions concerning content of the examination may be asked during the examination session. The candidate should read carefully the directions that are provided on screen at the beginning of the examination session.
- Candidates at the testing center are prohibited from leaving the testing room while their examination is in session, except for going to the restroom, or accessing their locker for food, drink, or medicine only.
- Bulky clothing, such as sweatshirts (hoodies), jackets, coats, and hats (except hats worn for religious reasons), and most types of jewelry may not be worn while taking the examination. Proctors will ask you to remove such items and place them in your locker. Please see Prometric’s statement on Test Center Security for more information.
- All watches, including fitness/smart watches and similar devices, cannot be worn during the examination.
- No food/beverages are permitted inside the testing room. Leave these items in your assigned locker.

Contact PTC at (212) 356-0660 or www.ptcny.com/contact with any questions about the Examination Rules.

Irregular or improper behavior that is observed, made apparent by statistical analysis, or uncovered by other means before, during or after the examination will be considered a violation of these rules and may constitute grounds for invalidation of a candidate’s examination. GBTA will initiate an investigation and request suitable analyses and appropriate documentation.

Testing Conditions or Examination Feedback

Any candidate who feels that the examination effort was negatively impacted by the test center conditions should notify the proctor immediately. The situation should also be reported to PTC at www.ptcny.com/contact within 15 days of the test appointment. Any comments about the test itself should also be reported to PTC at www.ptcny.com/contact within 15 days of the test appointment.

Report of Results

All candidates will be notified via email by PTC, of their official scores (scores on the major areas of the examination and on the total examination will be reported) approximately four weeks after the close of the testing period. Please note that this time is necessary to allow for the psychometric review and administration time required to ensure accurate and reliable scores.

After completing the examination, candidates will notified of their preliminary pass/fail status by Prometric. Please note that this notice is unofficial, and that official scores will not be released at the testing center but will be sent via e-mail within four weeks following the close of the testing period.

Please notify PTC as soon as possible regarding any address changes to ensure that you will receive your official test scores.

Scoring Procedure

The passing score for the GTP® Examination has been reviewed and approved by GBTA and has been determined using a criterion-referenced methodology.

Requesting a Handscore

Candidates who fail the examination may request a hand scoring of their data file. Hand scoring is a manual check of the data file by the testing service to determine if there have been any errors in scoring. Although the probability of such an error is extremely remote, this service is available. Requests for hand scoring must be received by PTC no later than 90 days after the date of the examination by completing and returning the Request of Handscore form on www.ptcny.com with payment of \$25. Candidates who fail the examination will not be permitted to see the examination questions. For reasons of test security, no candidate is allowed to review the examination or any of its items.

To ensure correct reporting of results, PTC automatically performs handscores of examinations of candidates who score within 3 points of passing as a quality control measure. Thus, it is extremely doubtful that any examination results will change from “fail” to “pass” through handscoring.

Confidentiality of Examination Scores

GBTA will release the individual test scores ONLY to the individual candidate. Any questions concerning test results should be referred to GBTA or PTC.

Reexamination

The GTP® Examination may be taken as often as desired upon filing of a new application and fee. There is no limit to the number of times an examination may be repeated, however, candidates may not retest during the same testing period.

An appeals mechanism for challenging revocation of certification is available.

Content of the Examination

The GBTA Global Travel Professional® Examination is a computer-based examination composed of a maximum of 125 multiple-choice, objective questions (100 scored questions and 25 pretest questions) with a total testing time of three (3) hours. The 25 pretest questions are randomly distributed throughout the examination and do not count towards a candidate’s score.

The content for the examination is described in the Content Outline starting on the next page.

The questions for the examination are obtained from individuals with expertise in global business travel management and are reviewed for construction, accuracy, and appropriateness by the GBTA.

GBTA, with the advice and assistance of the Professional Testing Corporation, prepares the examination.

The GBTA Global Travel Professional® Examination will be weighted in approximately the following manner:

I.	Strategic Business Planning	23%
