

- 1. What is PAC and why is it important?** The PAC allows individuals in the association to band together and provide financial assistance to people seeking office. The PAC allows for greater amounts to be contributed as a group than an individual
- 2. What happens in DC?** A Day in the Hill – MAGIC – the Day on the Hill is your opportunity to be the voice of the travel industry and lobby your elected officials to support issues that are important to the industry’s success. The GBTA Legislative Summit is a one of kind GBTA event that empowers you to be the voice of the business travel industry. By attending this event you will:
  - Meet one-on-one with Senators and Representatives to share opinions and advocate for policies that support the business travel industry
  - Broaden your understanding of government actions and how the outcomes impact the industry
  - Hear perspectives from Administration Officials and Members of Congress
  - Network with colleagues from around the country
